**Manufacturer Delegation of Authority to Third Party Certifier
for Submittal to the California Energy Commission**

***California Appliance Efficiency Program
California Code of Regulations, Title 20, Section 1606***

In compliance with Section 1606(f)(1)(B)(1), before or with the first submittal made by the third party, the manufacturer completes and provides this form to the Third Party Certifier who will submit information to the Energy Commission on the manufacturer's behalf. The contact person shown below is hereby approved for delegating authority on behalf of the named manufacturer for the specified appliance type in compliance with the requirements of the Appliance Efficiency Regulations from the date shown below. It is the responsibility of the manufacturer to update the information on this form should it change. The Energy Commission may audit the content provided on this form to ensure accurate and updated information and, upon a finding of noncompliance with an applicable provision of the above referenced Section, the Executive Director may suspend the manufacturer from delegating authority or remove affected appliances from the database.
